Customizable front plate

850 Series

All-new self-inkers with push-button pad removal system

These 5 models represent the latest and greatest from Shiny. The push-button pad removal feature is sure to please your customers. Depress the side locks, press the button and the pad slides out 90% of the way. It then becomes very easy to remove the pad with no mess or fuss. The front plate can be customized with special designs or logos. Call us for more details.
